

ADVANCE COMMITMENT TEAM

WILL YOU HELP by being on the **ADVANCE COMMITMENT TEAM**? This effort will help create a spirit of enthusiasm and commitment for the stewardship campaign, give an example of the spirit of sacrifice in giving, and demonstrate the potential for reaching the established financial goals.

WHAT ARE ADVANCE COMMITMENTS? Advance commitments are commitments to the stewardship campaign turned in prior to the Commitment Weekend/Parish-Wide Event.

WHO WILL BE INVITED TO MAKE ADVANCE COMMITMENTS? Those who serve in parish leadership, those who exercise leadership with their giving, and those who have major gift or resource giving potential for the capital stewardship program. Although the number of people invited to the gathering(s) will have to be limited, a general invitation will be issued to the parish for those who may have a special interest in attending.

WHAT DOES THE ADVANCE COMMITMENT TEAM DO? The Advance Commitment Team will organize several gatherings, or small group meetings, where invited guests will enjoy food, fellowship, and an informal presentation. Guests will receive commitment cards and will be asked to turn them in prior to the Commitment Weekend/Parish-Wide Event. (No commitments will be solicited at the gatherings.)

WHAT WILL I BE ASKED TO DO? If you are a leader, you will be asked to enlist several team members. All on the team will assist in telephoning to receive reservations for the gatherings.
